LEAVENWORTH MAIN STREET PROGRAM RECEIVES DONATION FROM HALLMARK CARDS FOR EMPLOYEE VOLUNTEERISM

As a volunteer driven, non-profit organization, the Leavenworth Main Street Program is very fortunate to have a dedicated volunteer working at Hallmark Cards. Through their VIP program, Meredith Timmons, LMS board president, is able to apply for financial support grants when she logs her volunteer hours and identifies what business skills she works on during her volunteer time. This is a twice a year opportunity and Meredith has been able to donate \$800 to LMS a year through her volunteer efforts through her employer Hallmark Cards.

"It is very rewarding to volunteer for Leavenworth Main Street which is such a passionate non-profit organization that focuses on enriching our historic downtown for our entire community and visitors. I've been so impressed to see the changes and efforts made by so many; the city, businesses, volunteers and members over my years of volunteering. We are on such a good path, word is spreading that our downtown is somewhere people really enjoy and has so much to offer, I hope it only continues to get better and better," states Meredith Timmons.

We are always recruiting volunteers and encourage anyone to contact us. You'll have fun, meet people and be a part of a really great organization. We have many opportunities, big & small, to participate. You'll feel good about giving back to your community and will learn so much.

"This program is supported in part through an agreement with the Kansas Main Street Program, Kansas Department of Commerce"
