The Passageways project is an exciting public art initiative by the Leavenworth Main Street Design Committee. In 2020, we will offer half or 14 passageways to local and regional artists to create interest and excitement downtown by allowing their creativity to shine.

- What is painted inside the opening is up to the artist, but must conform to common decency standards. *The passage has been opened and this is what we see through the opening.*
- Guidelines: Whimsical, Thoughtful, Family Friendly, Historic (We are the First City of Kansas!), non-political that encourage exploration of downtown.
